With this application I request to become a member of SIFNOS ENERGY COMMUNITY (**SEC**) and in order to become its member I solemnly declare that **(a)** I have read and unconditionally accept the provisions of the SEC statute, **(b)** I am not under a privative or auxiliary judicial support court order and that I meet all remaining prerequisites of the SEC statute and **(c)** I am not a member of another similar cooperative based on Sifnos and that if I was a member of such a cooperative in the past, that I am no longer a member of that cooperative and that I have fulfilled all my obligations towards it and I have not been expelled from it.

I also fully accept that all communication between SEC and its members will be in the Greek language for all issues related to SEC, until SEC acquires the financial ability to support other languages through its infrastructure, and following the decision of the SEC Governing Board or the General Assembly or both.

I am aware that my application will be submitted to the SEC Governing Board, which will be considered as provisioned by the SEC statute - Article 6, and after I have paid the registration fee (60 €) and the value of at least one cooperative share (100 €) and up to the current maximum limit of 392 cooperative shares which constitute 20% of the SIFNOS ENERGY COMMUNITY cooperative capital.

Number of shares that I wish to acquire	
Date
